(Beside Tesco's)

Let's Get Digital Project is an initiative managed through the Daventry Volunteer Centre and Funded by the National Lottery

Daventry Volunteer Centre is a Registered Charity - No. 802879

Free One to One support with mobile phones, computers and IT for older people in Daventry and South Northants.

- Help to improve your IT confidence and skills
- Help with getting started online
- Individual and Group support near you

We offer IT support to older people living in the Daventry and South Northants Districts who feel they could benefit from one-to-one help with using mobile phones, computers and social media

- Are you aged an older person who would like to do online shopping?
- Would you like to use your phone for more than just phone calls?
- Would you like to order your prescriptions online?
- Would you like to set up online Banking?
- Would you like to use a Tablet or Phone to make video calls to your Family and Friends?

If you have answered YES to any of the above, please get in touch with us - we are here to help you!

Telephone

01327 300 614

It can be very daunting using mobile phones, computers, and social media nowadays, but IT can be a lifeline for people who find it hard to get out and about. Our support is tailored to suit your particular needs in your own home for up to 12 weeks

We get to know you by listening to your needs

We work with you on the things that you want help with e.g. online shopping, prescriptions, using mobile phone Apps

We will help you to access Tablets or Laptops if you don't own one

We will introduce you to a local social group with ongoing IT support once your 12 weeks one to one support have been completed

We use Volunteer Helpers

We have a team of Volunteers who are IT trained and able to help you grow in confidence with using your IT. They will introduce you to others who want to sit and chat over tea and cake!

Please contact us for further details and an initial chat
